

OSM monthly update - May 2018

April is always a quite month - with only one Conclave meeting.

I would like to congratulate V Wy Bro Rodney Williams on his installation into the chair of Chantry Conclave (April 20th) - this is the seventh time he has taken an OSM chair and the second time at Chantry. Rodney supports all our Conclaves tirelessly throughout the year and he is to be applauded for the work he undertakes for the Province and the Order.

It was pleasing to see so many of our brethren supporting and taking part in the annual meeting of the Provincial Grand Lodge of Mark Master Masons and also the Divisional meeting of the Red Cross and I congratulate those brethren receiving preferment's at those meetings.

May is a busy month with six meetings - and Princes degrees will be in abundance

The meeting at Odersfelt (18th) is an important occasion with the attendance of V Wy Bro Captain Walter D Porter, the Grand Visitor, who will witness a demonstration of the Princes degree.

Princes degrees will also be performed at White Rose (21st), Skyrack (30th) and Claro True Friendship (31st).

The meeting of the West Yorkshire Past Supreme Rulers Conclave (25th) will see a lecture from V Wy Bro Richard Middleton and there will be an induction at Westwood Conclave (22nd) when Michael Prodywus joins the Order.

Brethren, please if you are able support these meetings.

The Provincial meeting of Yorkshire, West Riding (Craft), will take place at Harrogate on the 8th of May and both the Deputy Provincial Grand Supreme Ruler and myself will be in attendance.

Dates for the diary

The first Provincial Visit of the year will be to Bishop Blaze on the 6th of June
The Grand Visitor will be attending Roses Conclave on 23rd July

Yours in the friendship of the Order

Dave
